## The Gardens Mall Kicks Off The Pink Retreat

Pink fashionistas from across the country toasted the start of a colorful and spectacular weekend at The Pink Retreat's welcome party, hosted by The Gardens Mall on Thursday, June 8.

The Pink Retreat gathers women of all ages who share an adoration for vivid and floral patterns, a staple of Lilly Pulitzer's clothing. The welcome reception was held in the mall's Grand Court and included food, drinks, shopping, and beauty treatments from Aveda and the mall's new blowout bar, This Place Blows. The ladies also took part in art classes at The Gardens Mall's Style Club.

The Pink Retreat was founded and created by "momprenuer," art therapist, and style icon Tosha Williams in 2017. Tosha discovered she could spark connection and joy between herself and others through bright and vibrant clothing.

The Gardens Mall is thankful to have sponsored an evening of shopping, painting, and bonding!
